Fast Forward Academy has announced the publication of its 2013 CPA books are now available for purchase online and ready for delivery.

Accounting students seeking [CPA exam review](#) can now purchase Fast Forward Academy's latest CPA exam study guides at [FastForwardAcademy.com](#). There are four guides available, corresponding to the four sections of the CPA exam: Auditing and Attestation (AUD), Business Environment and Concepts (BEC), Financial Accounting and Reporting (FAR) and Regulation (REG).

The CPA review books are part of Fast Forward Academy's successful method of assisting students in passing the CPA exam on the first try. Accounting students who sign up for Fast Forward Academy's CPA exam courses have access to multiple tools and interactive features that will better prepare them for this challenging exam. Some of these features include: a CPA student calendar that can be individually customized for students' study requirements including the ability to create auto-reminders, built-in social features that allow students to compare results, CPA practice exams that emulate the actual CPA exam and a CPA study bank that includes 2,000 questions.

Students also have the ability to filter review sessions to focus on specific areas and access to an interactive study dashboard that provides up-to-date analytics of specific CPA metrics. Real-time feedback is offered to students as they work their way through the CPA study bank questions.

"This new update will allow us to take our books online in a format like nothing else ever seen for the CPA exam," said Matt McBride, President of Fast Forward Academy. "Students, past and present, consistently tell us that Fast Forward Academy's method

of CPA exam prep works. To that end, we're pleased to launch the latest versions of
