SAGINAW, Mich., April 2, 2013 — Michigan tax and accounting firm [Yeo & Yeo](#) is celebrating its 90th year of serving businesses and individual clients, and has a vision toward future growth.

Yeo & Yeo is a leading accounting firm with nearly 200 professional staff in eight offices across Michigan. Three affiliates – Yeo & Yeo Computer Consulting, Affiliated Medical Billing and Yeo & Yeo Financial Services – have evolved to serve clients' specific needs.

Since the practice first opened in 1923 in downtown Saginaw, Mich., Yeo & Yeo has sustained a thriving Michigan business dedicated to building strong relationships and helping clients meet their long-term financial and business goals. Yeo & Yeo's staff say they are proud to carry forward the tradition of personal service and community support begun by three generations of the Yeo family.

“Our team has worked hard to position the firm for significant growth over the next several years,” said Thomas Hollerback, President & CEO. “We have maintained our intense focus on the needs of local and regional clients while investing in technology and expanding our expertise in thirteen practice areas.”

The firm is a member of the Leading Edge Alliance, a global association of independently owned accounting and consulting firms, giving businesses and individuals the resources of a large firm, with the “high touch” personal attention of a smaller firm.

“Ninety years is an extraordinary accomplishment for any firm in our industry,” said Hollerback. “Our success and longevity are attributable to the core values on which
