CCH Axcess was awarded a 2013 Innovation Award by CPA Practice Advisor.

Axcess is the only cloud-based modular tax preparation, compliance and firm management solution built from the ground up offering the profession's most powerful solution for complete firm management. With CCH Axcess at the center of a firm, professionals can accelerate growth, optimize firm operations and advance the firm's reputation – all with the support of a customized modular solution covering tax and workflow processes. CCH, part of Wolters Kluwer, is a leading global provider of tax, accounting and audit information, software and services (CCHGroup.com).

CCH Axcess is the only modern, expandable CPA solution built from the ground up with a core database that unifies the accounting firm's practice. With integrated modules in a single solution with a single database, customers leveraging CCH Axcess will save thousands of hours of time on routine tasks, enabling them to offer new services and value to clients.

With CCH Axcess, CCH is delivering a cloud solution with an integrated central database that offers a single point of access to handle all tasks associated with the tax process – from return preparation and compliance to file storage and practice. CCH Axcess cloud-based modules include:

- CCH Axcess Tax – The heart of the streamlined, digital tax process — supporting ease of tax preparation with thousands of automatically calculating forms and schedules for federal, state, county and city entities; robust diagnostics; and a state-of-the-art electronic filing system.

- **CCH Axcess Document** – A feature-rich document management solution to

- CCH Axcess Workstream – The full-featured project management solution designed to streamline administrative tasks, such as tracking due dates, identifying key milestones and monitoring project status.

CCH Axcess is also the only complete tax practice application built on a single platform that leverages a single integrated database. The centralized database allows users to:

- View, manage and access all functions through a common dashboard;
- Set up permissions through the administration module;
- Access document management and firm management tools; and
- Improve collaboration with clients.

Firms relying on CCH Axcess also benefit from integrated support from *CCH Mobile* solutions and Apps – delivering premier CCH content on-the-go through the powerful *IntelliConnect* research platform. And through CCH's *Open Platform* technology, firms can utilize a variety of favorite applications from approved third-party partners that have built integrations with CCH Axcess.
