CPE Package for tax, accounting, audit, and finance professionals. It offers more than 500 Webinars and 450 online/downloadable courses covering legislative and industry changes in a cost-effective bundled subscription package

Sep. 26, 2013

NEW YORK — Thomson Reuters recently released [Checkpoint Learning's](#) enhanced [Premier Plus CPE Package](#) for tax, accounting, audit, and finance professionals. It offers more than 500 Webinars and 450 online/downloadable courses covering legislative and industry changes in a cost-effective bundled subscription package.

“There’s no other offering on the market close to the value of our Premier Plus CPE Package,” says Ken Koskay, vice president of Learning Solutions, Thomson Reuters. “Many of these courses cover laws and regulations that professionals must understand and comply with to be a trusted advisor to their customers. Other courses are designed to help practitioners increase efficiency, grow their business, or improve professional competency.”

Thousands of customers have switched to Premier Plus from other continuing professional education (CPE) vendors since the product launched three months ago.

The package includes:

- Unlimited access to more than 3,000 hours of CPE content in Webinar and online formats. This includes courses on current compliance challenges such as health care reform and the Foreign Account Tax Compliance Act.
- The complete library of interactive online and downloadable self-study courses from MicroMash, PASS Online, and PPC.
- More than 40 live Webinars per month taught by nationally recognized experts.

- Discounts on up to 40 hours annually of instructor-led courses including a 40-
