Business ValueXpress (BVX) is one-of-a-kind business valuation software that simplifies business valuation and provides objective valuations that equal real-life actual transaction. BVX integrates Price, Terms and Deal Structure, and uses optimization techniques to satisfy the needs of all parties to an M&A transaction. Some of its unique features are, cash vs. financed valuation, stock vs. asset purchase valuation, mezzanine equity determination, and goodwill calculation. With BVX one can perform live interactive valuations. BVX does not use any formulas, nor does it use any market data.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
