Innovation Awards have been chosen. As the pinnacle of recognition for technology vendors serving the tax and accounting profession, the awards recognize exceptional product development, breakthrough technologies, state of the art design and implementation, and cutting edge concepts that help accounting professionals and their clients be more productive and profitable.

Apr. 21, 2014

The nominees for the 2014 *CPA Practice Advisor Tax & Accounting Technology Innovation Awards* have been chosen. As the pinnacle of recognition for technology vendors serving the tax and accounting profession, the awards recognize exceptional product development, breakthrough technologies, state of the art design and implementation, and cutting edge concepts that help accounting professionals and their clients be more productive and profitable.

Award recipients will be decided by the Award Committee, which is comprised of the editorial staff at *CPA Practice Advisor*, thought leaders among the profession, and the publication's Editorial Advisory Board. Board members include accounting and tax professionals from various sized firms across the country who are engaged in a variety of practice areas.

The nominees for the 2014 Innovation Awards are:
