Business accounting technology provider [Open Systems, Inc.](#) has added fully-integrated credit card processing to its flagship TRAVERSE accounting and business software suite.

“This turnkey solution provides simple, built-in access to credit card processing, right from the software screen,” said Paul Lundquist, Open Systems Vice President of Sales. “Our customers have been requesting this functionality, and we’re pleased to provide it.”

“This credit card processing system is a free add-on for TRAVERSE version 11 users, and is incredibly easy to install,” said George Davis, Sales Consultant and Credit Card Specialist for Open Systems. “The credit card processing itself is provided by
