FRAUD PREVENTION

Yes, there are some shady business owners out there who intentionally commit financial crimes, but there are also many mistakes that even honorable and well-intentioned business owners often make that can land them in some sticky, and questionable, legal situations.

That's only one reason why most successful small businesses hire a reputable accountant such as a CPA, because these professionals know the best methods for managing businesses, optimizing cash flow and improving productivity and profitability ... without resorting to shady tricks.
