Intuit's Apps.com partner platform and will offer a seamless integration with QuickBooks Online.

Isaac M. O'Bannon • Jun. 16, 2014

Cloud-based payroll services provider [ZenPayroll](#) has announced that it is joining Intuit's [Apps.com](#) partner platform and will offer a seamless integration with [QuickBooks Online](#).

Small businesses are using cloud services to displace old desktop technology or previously manual, cumbersome tasks — helping them run their businesses more efficiently. According to a recent study by Microsoft, the number of small businesses with less than 10 employees using paid cloud services will triple in the next three years. In the face of this proliferation of web applications, it's more important than ever for platforms to be open and online tools to integrate with each other.
