Decosimo Adds Business Development Associate and Senior Manager

Decosimo recently announced the addition of Stratton Tingle as a business development associate in the firm's manufacturing and distribution services practice and Steve Pashley, CPA as a senior manager with the firm's national tax services practice. In his new position, Tingle will be responsible for providing industry-specific audit, tax and advisory solutions to manufacturers, distributors, supply chain and logistics entities and investors. Tingle will also represent Decosimo with Manufacture Alabama, Georgia Association of Manufacturing, Ohio Manufacturers Association and Tennessee Association of Manufacturers. He graduated from Southern Adventist University and has worked internationally in Ireland, Egypt, Botswana and Czech Republic.

Pashley has significant experience in the areas of federal tax credits and incentives related to research and development, energy, real estate and the domestic production activities deduction. In his new role he will advise clients in the manufacturing and distribution, not-for-profit, government contracting and technology sectors on excise tax minimization strategies and tangible personal property regulations implementation. Pashley graduated from Augusta State University with a Bachelor of Science and Masters of Business Administration.
