2011 Overall Rating 4.5

Best Firm Fit:

CyberCabinet is best suited for sole practitioners and small firms who provide accounting, payroll and tax services. If your practice can use the Accountants Relief and Payroll Relief applications, you can have a solid online platform for running your practice without the hassle of managing your own file server and storage.

Strengths:

- Integrated payroll & accounting applications
- 100% browser-based and web hosted
- Integrated client portal for document access & file uploads
- Customized folder structure

Potential Limitations:

- No integrated tax application
- No direct integration with MS Office

Product Delivery Methods:

On-Premises

SaaS

Hosted by Vendor

Executive Summary & Pricing

AccountantsWorld offers a nice bundle of applications for small to mid-size accounting practices via the increasingly popular cloud computing model and the benefits associated with this delivery method. The software is priced very competitively at \$49 per month or \$495 annually.
