- Integration with other CCH applications & tools, including ProSystem *fx* Engagement, Gainskeeper, IntelliConnect & CCH Tax Prep Partner Series
- New Global Integrator tool supports those with multi-national filing or complex consolidation requirements
- Ability to mask confidential data on printed returns offers some additional protection against identity theft & support for outsourced returns
- The only product suite offering an optional locally-installed scan, organize & populate tool (ProSystem *fx* Scan)
- Strong spreadsheet & GL import capabilities

## POTENTIAL LIMITATIONS

- SaaS version (Global *fx*) requires Internet Explorer 7 or later
- Implementation of IntelliConnect & Next Generation applications in 2010 was a large amount of change in one year for users of these applications
- Supported write-up solutions limited

## EXECUTIVE SUMMARY & PRICING:

With traditional and Internet-based solutions available, ProSystem *fx* Tax fits a wide market range from single users to large multi-user organizations. Pricing for the traditional DVD-based software is \$3,585 for the individual tax preparation module and \$2,235 for business modules (minus any applicable discounts). State returns are grouped and priced by complexity and start at \$435 per state module. Per-return pricing is also available for all modules. Global *fx* pricing starts at \$25 per user, per month with an annual \$100 setup fee.
