Best Firm Fit:

ViewWise is a good fit for small and mid-size firms that want a system to manage documents across the entire firm, not just for client tax and accounting files.

Strengths:

- Integrated suite of “paperless” applications
- Depth of document security controls
- Integration with MS Office applications
- Document viewer supports more than 400 file formats

Potential Limitations:

- No direct integration with tax & accounting software applications
- Not available as a web-hosted option

Executive Summary & Pricing

ViewWise’s feature set is very comprehensive in regards to managing the organization of a firm’s files, integrating the DM into your workflow, and managing the security and retention of documents. The pricing for ViewWise starts at \$5,000.
