who still desire a custom user interface for use with touch-screen monitors. The vendor also offers Store Manager for multi-location shops.

Strengths

- Highly customizable touch-screen technology
- Easy to setup & use
- Good customer tracking capability
- Flexible pricing levels
- Solid employee module tracks time & salary/bonus/commissions

Potential Limitations

- Does not offer e-commerce support
- No integrated shipping options
- Single store use only; must upgrade for multi-store capability

Summary & Pricing

Priced at \$499 to \$799 per register, Store Keeper POS from InfoTouch is suitable for single-location retailers. The ability to upgrade to Store Manager makes this an ideal product for retailers with possible future expansion.
