Advisor (www.CPATechAdvisor.com), have come to be a pinnacle of recognition for companies who develop technologies and services for the tax and accounting profession, or whose small business-focused products also extend benefit to their financial advisors.

CPA Practice Advisor is the most trusted practice management and technology resource to the tax and accounting profession, providing in-depth reviews, news, interactive tools, insightful columns, timely features, and examinations of best practices and strategies that help firms achieve greater productivity. The awards will also be announced via Twitter, Facebook and on the magazine's website and CPATechViews.com blog.
