Best Firm Fit:

Small 1040-focused tax offices with limited to moderate need for additional entities.

Strengths:

- All federal and state entities
- Integrated bank products
- Good client communication templates & e-mail integration
- Data import from multiple accounting systems
- Built-in invoicing
- Available tax planner & document management system

Potential Weaknesses:

- No client portals
- Lacks document automation tools (scan & populate)
- Limited tools for multi-preparer collaboration on complex returns

Executive Summary & Pricing

TaxWorks is a great package for small firms with high-volume 1040s and an occasional need for business entities. The package includes good data import from outside accounting packages, provides a good collection of firm tools for document

management, asset management and planning. The vendor also offers good support.
