for moving your clients into the cloud.

Oct. 31, 2014

“The Cloud” is redefining the accounting industry, and small business owners are taking notice. A recent study from CCH says 53% of SMB owners would consider replacing their accountant if they were reluctant to research cloud options.

In this guide, you’ll learn about the advantages cloud accounting offers over traditional software. You’ll also learn how data is kept secure and which tools are best for moving your clients into the cloud.
