Robust Inventory Control Software

Fixed Assets CS is more than just asset management software. It simplifies the process of adding, changing, and disposing assets with a logical file-folder format, intuitive interface, and customizable asset tracking and sorting options.

Asset Management Software that's Smart and Speedy

Fixed Assets CS minimizes inaccuracies by presenting only “what’s needed” data entry options. Also, with the ability to calculate an unlimited amount of treatments, Fixed Assets CS can handle virtually any asset management situation.
