2015 Innovation Award Nominee:

Wolters Kluwer Tax & Accounting U.S. – CCH IntelliConnect Browser Search

CCHGroup.com

Groundbreaking…innovative…transformative…these are just a few words commonly used to describe CCH® IntelliConnect Browser Search. The latest addition to the award-winning CCH IntelliConnect® research platform, CCH IntelliConnect Browser Search addresses several, fundamental needs of today's busy accountant: speed, accuracy and simplicity.

This installable browser add-on changes the way professionals search for tax and accounting answers by instantly sending search queries through Wolters Kluwer Tax & Accounting subscriber content, and displaying the CCH IntelliConnect answers directly on the results page of popular search engines such as Google®, Bing® or Yahoo!®. It's seamless, convenient and easy! There's no need for users to log in and no alternating between research tools. Users save both time and money by taking public and professional sources into consideration at once.

And tax research is transformed with this powerful solution that simplifies professionals' workflows and combines the ease of an internet search with the world's leading tax and accounting content. With CCH IntelliConnect Browser Search, Wolters Kluwer Tax & Accounting US is the first tax and accounting software and research provider to leverage the power of popular search engines to enhance the search experience, improving tax and accounting professionals' efficiency, productivity and profitability.
