The bundle expands the widely popular ATX Total Tax Office software solution to include extensive compliance research and learning, practice management and more at a highly competitive price.

May. 19, 2015

Wolters Kluwer, [CCH Small Firm Services](#) has launched a new product bundle, ATX Advantage, that delivers big-business sophistication to small and midsize tax and accounting firms. The bundle expands the widely popular ATX Total Tax Office software solution to include extensive compliance research and learning, practice management and more at a highly competitive price.

“Tens of thousands of small firms, CPAs, solo practitioners and other tax and accounting professionals trust ATX’s user-friendly, comprehensive tiered solutions to deliver the highest levels of quality and value,” says Jason Marx, president of Wolters Kluwer, CCH Small Firm Services. “ATX Advantage gives them yet another choice in aligning needs and business objectives with more robust technology that keeps their clients compliant — and helps them maintain an edge over their competition.”

ATX Advantage includes six concurrent user licenses and features:

- All federal individual forms
