New Brand via social media, trade shows, news articles, webinars, and user events.

Jun. 12, 2015

Cloud9 Real Time, a cloud-hosting company that provides cloud solutions to businesses across the nation, has [recently highlighted their rebranding efforts](#) in order to increase the scope and proficiency of their services as well as a new and improved work environment for their employees.

The company expansion was spearheaded by the company's passion to serve both their clients and their employees in a greater capacity. Their new office look is both trendy and inviting, which energizes employees and provides a pristine working environment, characterized by a bright, clean design.

Robert J. Chandler, CEO/President of Cloud9 explains, "As the company grows, so will our culture. It's important to stay at the forefront. Cloud9 is always listening to our partners, employees, and especially our clients in order to find out which products are important for their business, from a growth standpoint."

“Creating a new, fun culture for our employees is extremely important, since our
