NATIONAL REGISTRY OF CPE SPONSORS

Thomson Reuters has launched its new Corporate CPE Network subscription to help corporate professionals acquire up-to-date information, recommendations and best practices needed to understand, plan for, and implement new tax law and accounting requirements.

Thomson Reuters Corporate CPE Network is a video-based program providing training via DVDs or streaming videos along with supplemental training materials. Each monthly issue will focus on different subjects relevant to the educational needs of tax, accounting, and finance professionals that work in a corporate setting, helping them obtain or update skills necessary to succeed in today's fast-paced business environment. Topics include accounting and financial reporting, tax planning and implementation of new tax laws, governance and risk, sustainability, decision making and negotiation, managing different generations, employee benefits, best practices, change management, and more.

“The Corporate CPE Network is designed to help corporate professionals stay on top
