Armanino Expands Southern California Presence with Merger

[Armanino LLP](#) recently announced it will merge with [LaRue, Corrigan, McCormick & Teasdale LLP](#). As part of the agreement, a new office will be located in the San Fernando Valley, which will allow Armanino to better serve clients in the region and provide more options for local employees to work where they live. In addition, LCMT clients will now have access to Armanino's specialized set of accounting and business management solutions that focus on complex corporate returns, international tax, R&D credits, family office, estate planning, M&A preparedness and expanded audit expertise, as well as a full suite of technology consulting services such as budget and forecasting, business reporting and analytics, cloud solutions and ERP. LCMT will become Armanino and keep its Woodland Hills, California office location, allowing clients to continue working with the same partners and staff without disruption to service.

PwC Appoints Two New Partners

[PricewaterhouseCoopers](#) recently appointed Rick Warren and Khalid Wasti, CPA to partner in its Risk Assurance Practice. Warren has more than 23 years of experience in risk-related consulting, and will support the growth of PwC's Performance Governance Risk and Compliance solutions in the Greater Atlanta market. Warren earned his Bachelor's degree in Finance from Florida State University.

Wasti's expertise includes controls and risk management reviews for accounting, finance and IT functions across multiple industries. In his new role, he will oversee strategy and build out audit capabilities for technology-related risks, such as mobile, cloud, cyber, analytics and social media risks. Wasti earned his MBA in Accounting at Baruch College in New York City, and a BA in Economics from Columbia University.
