ADP's payroll card ALINE now includes integration with [Apple Pay](#). ADP, which provides payroll and business management resources, says the integration gives ALINE Cardholders the opportunity to use Apple Pay on supported Apple mobile devices to make quick and secure purchases at participating merchants with a simple touch of their devices.

The ALINE Card, which is a payroll debit card, gives employees immediate access to their paycheck on payday. By integrating with Apple Pay, ADP is providing ALINE Cardholders with convenient ways to make payments easily, securely and privately directly from their mobile devices.

The ALINE Card requires no credit approval since it is not a credit card; instead, it provides the benefits of
