[Avalara](#), Inc. has attained Workday Certified Solution Partner status. Avalara, which is a provider of cloud software for tax compliance, is a Workday software partner. With this certification, Avalara now provides customers with a real-time, bidirectional integration that seamlessly connects [Workday Financial Management](#) with AvaTax™, Avalara's cloud offering for automating tax management.

Workday Financial Management unifies a full range of core financial capabilities to provide organizations with the real-time visibility, speed, and agility required to meet the complex needs of today's business landscape. AvaTax complements Workday Financial Management by automatically calculating the final sales tax amount on every invoice. This helps customers simplify and streamline the process required to calculate taxes across multiple locations and frees up time to enable them to focus on their core business. Joint customers are already leveraging the integration today, which will be owned, maintained, and updated by Avalara.

For more than a decade, Avalara has pioneered innovations in tax compliance for businesses of all sizes. Today, Avalara integrates with hundreds of ERP systems, accounting packages, ecommerce shopping carts, Point of Sale systems, and mobile payment platforms.

Pascal Van Dooren, chief revenue officer at Avalara said, "In today's electronic world, it just doesn't make sense to manage tax manually. Avalara's integration with Workday Financial Management provides Workday customers with fast, easy and cost effective ways to automate tax compliance. We're delighted to collaborate with Workday."

Dorien Weijts, vice president, IT Applications at JDA said, “The relationship between
