"I applied for an Illinois CPA Society accounting scholarship and the Society awarded me \$4,000! This scholarship eased my worries about how I was going to pay for all of my debt that built up during graduate school. Also, it allowed me to save money for my CPA exam study materials and application fees," stated Elizabeth Schwindenhammer, 2015 Scholarship Recipient.

The Illinois CPA Society Accounting Scholarship Program is funded by donations to the CPA Endowment Fund of Illinois. The deadline for applications is April 1, 2016. For more information, visit the Illinois CPA Society's student programs page at <http://www.icpas.org/students.htm>.
