BenefitMall's payroll services for the clients of our CPA and accounting partners can be customized to your desired level of involvement.

**Simple [referral](#) relationship** – This approach is preferable to many accounting professionals who have clients who process their own payroll and would benefit from outsourcing. The simple referral relationship with BenefitMall also gives you the opportunity to have reliable and quick access to essential client payroll, reports and payroll taxes online.

**[Hosting or back-office solution](#)** – If you want a higher level of payroll involvement and prefer to manage client payroll in house, you can use BenefitMall as a back-office processor via online payroll or PC software options.

**Payroll acquisition** – If you have been processing payroll for your clients and would like to exit the payroll business entirely, we would be happy to explore the

acquisition of your payroll business. Our business development team expertly
