The Rockville, Maryland accounting firm [Rose Financial Services](#) (RFS) has been named 2016's Most Innovative Accountancy Firm by [Acquisition International Magazine](#).

The annual awards program highlights firms whose ceaseless dedication to innovation, customer care and continued growth and improvement of their businesses has seen them forge ahead of their competitors and raise the bar for performance and results in their industry. Award winners are selected after being nominated by internal experts as well as their own clients and peers, and through a rigorous and lengthy judging and research process.

“We’re thrilled to win this prestigious award that recognizes our innovation in the

The company coined the term “Accounting Outsourcing” in early 1995. It ensures clients have a cost-effective and scalable financial infrastructure that provides meaningful financial information and guidance that is timely and accurate while minimizing compliance related risks.

Acquisition International awarded the firm for its innovation in the accounting industry based on its Shared Services Center, which enables a multi-discipline approach, and RFSWorkflow™, a system that standardizes and automates accounting processes based on best practices acquired over 20 years.

The 2016 Global Accountancy Awards were created to highlight the vital work done throughout all industries and sectors by the behind-the-scenes experts who ensure that every firm, regardless of size, reputation, geographical location or area of expertise, can be confident that the figures that make it tick are in safe hands.
