accounting professionals with a state-by-state analysis of the sales and use tax exemptions available for manufacturing-related purchases.

Aug. 03, 2016

The latest topic added to Thomson Reuters Checkpoint Catalyst provides accounting professionals with a state-by-state analysis of the sales and use tax exemptions available for manufacturing-related purchases.

The new topic, *Sales and Use Tax: Manufacturing*, examines the exemptions for machinery and equipment, ingredients and component parts, and materials that are

consumed or destroyed in production. Exemption documentation requirements and
