## New This Season

For the 2017 tax season Eagleview On-line Filing Solutions has added

1. **State e-filing** –Most services only offer e-filing to SSA and IRS and then States only receive 1099 filing if part of the Combined Federal/State Filing Program.  
Eagleview's new direct State filing programs cover many states for both W-2's and 1099's.
2. **Full ACA form filing compliance**-Many services failed miserably in ACA form filing for the 2015 filing season. The Eagleview platform succeeded with full compliance for all 1095 and 1094 forms.
3. **Flexible Pricing**– Eagleview pricing is extremely competitive at every filing quantity. And this year, we are adding even more price flexibility for high volume

filers who can now purchase “Buy Down” rates at various quantities.
