It doesn't get better than that- we guarantee it. CPA Cloud Details

Cloud Hosted IT Solutions for Accounting and CPA Firms

We're no cookie-cutter cloud provider- we *know* how unique CPA firms are and develop custom cloud solutions to fit your needs. Cetrom's experience dates back to 2001, when we first began providing IT services to accountants like you. We understand the challenges of providing IT solutions to the accounting industry during peak tax season, which is why we have the ability to scale up your capacity for when you need it the most.

With our CPA cloud computing services, you no longer have to maintain outdated in-

Accounting applications of QuickBooks, CCH and Thomson Reuters. Even if your application is unique to your business model, we can host it for you! Hosted Applications Details.
