Nov. 16, 2016

Higher Learning Technologies ([HLT](#)), creators of some of the highest grossing medical and education apps and maker of [more than 30](#) mobile study products, today announced the release of four new mobile study aids to help students prepare for and pass their CPA exams – CPA REG Mastery, CPA FAR Mastery, CPA AUD Mastery and CPA BEC Mastery.

Certified Public Accountants (CPA) are highly trained and regulated professionals who must pass a four-part CPA exam to attain certification. The Financial Accounting and Reporting (FAR) section of the CPA exam is arguably the most difficult, longest and by far the most comprehensive section of the exam and the Regulation (REG) section of the CPA Exam tests a CPA candidate's knowledge on federal taxation, business law, business ethics and professional and legal responsibilities. The Auditing & Attestation (AUD) section of the CPA Exam covers

the entire auditing process and the Business Environment and Concepts (BEC)

If you have any questions or need help you can email us

- 800+ up-to-date CPA practice questions with detailed rationales for each section – FAR, AUD and BEC
- 1,000+ definitions of key terms per section
- In depth statistics that display strengths and weaknesses
- Built in timer for pacing and progress tracking

CPA REG:

- 750+ up-to-date CPA REG practice questions with detailed rationales
- 1,000+ definitions of key terms
- In depth statistics that display strengths and weaknesses
- Built in timer for pacing and progress tracking

The CPA Mastery guides, and all HLT mobile study tools, are built upon the tried-and-true study principles of spaced repetition – saving time, effort and frustration. CPA Mastery products will also help studiers diagnose problem areas and develop an action plan to stay organized – improving the likelihood of passing.

“Our mobile study tools have been downloaded millions of times because students really appreciate the convenience of being able to study on their mobile devices and appreciate the way our products are designed and the support we provide,” said HLT cofounder Adam Keune. “We are very excited to add these CPA Mastery resources to our growing, student-focused test preparation inventory because we know it can be life changing to be a certified professional in a field like accounting – and we’re here to help people do that.”
