cash flow for multiple companies. While not particularly strong in cash management analytics, Pulse does provide users with the ability to easily track and maintain ...

Mary Girsch-Bock • Feb. 17, 2017

The screenshot displays the Pulse software interface. At the top, the word "Pulse" is in white on a dark background. Below it is a navigation bar with four items: "Welcome" (with an 'i' icon), "Cash Flow" (with a '\$' icon), "Reports" (with a pie chart icon), and "Companies" (with a briefcase icon). The main content area has a light gray background and features the heading "Add Income" in large black font. Below the heading is a form with three sections: "Title (or [Select a project](#)) — Required" with a blue-outlined text input field; "Category" with a dropdown menu showing "Uncategorized"; and "Account" with a text input field.
