ACCOUNTING & AUDIT

2017 Review of Pulse – Cash Management Apps

Pulse is a cash flow app that allows business owners and accountants to keep track of cash flow for multiple companies. While not particularly strong in cash management analytics, Pulse does provide users with the ability to easily track and maintain ...

Mary Girsch-Bock • Feb. 17, 2017

The screenshot shows the Pulse app interface. At the top, the word "Pulse" is displayed in white on a dark background. Below this is a navigation bar with four items: "Welcome" (with an information icon), "Cash Flow" (with a dollar sign icon), "Reports" (with a pie chart icon), and "Companies" (with a briefcase icon). The main content area is titled "Add Income" in large, bold, black text. Below the title is a form with three fields: "Title (or [Select a project](#)) — Required" with a blue border, "Category" with a dropdown menu showing "Uncategorized", and "Account" with a dropdown menu.
