# Track 1099

Track 1099 is an online W-2 and 1099 processing program that is well suited for both businesses and accounting firms alike, and is completely online. New users can quickly access a free, online demo, where they can try the product out.

Track 1099 handles all electronic filing, with users able to schedule a date to e-file the forms. Users can also schedule a date they wish the completed forms to be delivered to their respective recipients.

The TIN Match feature in Track 1099 provides a link to the IRS along with
