From the 2017 reviews of W-2 and 1099 preparation systems.

Eagle View Filing Solutions, from Tenenz offers online W-2 and 1099 filing services for both professional accountants and small businesses. Designed to shift the burden of processing, printing, mailing and E-filing all year-end forms, Eagle View Filing allows users to easily enter data directly into the system, with the vendor then handling all form E-filing, printing and mailing. Users have two options when entering data; they can enter information through the easily navigated user interface, or simply upload data directly to Eagle View Filing, where the entire process from data entry to electronic tax filing will be handled directly by the vendor.

Eagle View Filing offers users an Excel template, which is ideal for submitting large

agency. Users are also notified when recipient copies of forms are mailed out.

Eagle View can process an unlimited number of both filers and recipients, so accountants can easily use the product for processing W-2s and 1099s for their clients. High-volume processing options are also available. Along with E-Filing and Delivery and E-Filing only, Eagle View also provides users with the option to electronically deliver W-2 and 1099 forms directly to their clients, so they can be downloaded and printed in-house if desired. Common forms supported by Eagle View include 1098, 1098, T, 1099 forms including 1099-B, 1099-C, 1099-DIV, 1099-INT, 1099-MISC, 1099-R, 1099-S, 1042-S, W-2, and ACA forms 1094-B, 1094-C, 1095-B and 1095-C. Combined Federal and State filing is also available for 1099 forms, and corrections can be filed as well. The system easily stores prior-year information for quick processing for subsequent years.

Eagle View easily integrates with popular third-party accounting software applications including QuickBooks Online Plus and Xero Cloud Accounting.

Though ideal for accounting firms that process large volumes of year-end forms, even small businesses will appreciate the services that Eagle View Filing offers; particularly those that lack the time or the staff necessary to process the forms on a timely basis.

Product support is available during regular business hours, with extended support hours offered during tax season. FAQ's are available to users, and questions or issues can be submitted via the convenient web form.

Eagle View Filing is volume priced, with prices reduced significantly as volume goes up. Pricing starts at \$3.95 per form for print, mail, and E-file processing for up to 10 forms; with pricing dropping to \$1.25 per form for those processing over 1,000 forms.

Other services available include 1042-S filing, which is \$6.25 for 1,000 or more, and
