“We continue to innovate and elevate the Adaptive Suite, enabling organizations of all sizes to embrace a powerful platform that can be used by finance and business users alike,” said Bhaskar Himatsingka, chief product officer at Adaptive Insights. “Being recognized by the SIIA as a CODiE award finalist underscores our commitment to continuously innovate and push the boundaries for cloud planning software to achieve a best-in-class experience for our customers.”

The SIIA CODiE Awards are the premier awards for the software and information industries, and have been recognizing product excellence for over 30 years. The Adaptive Suite 2017.1 was honored as one of 205 finalists across the 59 business technology categories. Details about this year's finalists are listed at <http://www.sii.net/codie/Finalists>.

The 2017 winners will be announced during the [CODiE Award Business Technology Winner Announcement & Celebration](#), July 25 in San Francisco.

“I am impressed by the level of innovation and creativity of the products that have been selected as this year's CODiE Award finalists. We are happy to recognize these products and the power they have to transform the future of how we do business,” said Ken Wasch, president of SIIA.
