MyTAXPrepOffice is designed for offices that prepare a high volume of individual tax returns. We make sure the features you need to complete and file accurate returns quickly are included in our professional preparation solution:

- Input forms match the layout and flow of federal and state forms
- Alternative Interview Mode data entry
- Color coding is used throughout the form which allows the required fields for electronic filing to be prominently highlighted for ease of use.
- Review of the return alerts the tax professional of additional requirements or quick reminders
- Quick Return Summary option to review status of multiple returns without exiting a current return

All of our Individual Packages include:

- Federal 1040 forms and schedules (Some that aren't available in competitors')
