AMS Payroll is a full featured after-the-fact/live payroll program that prepares the state wage forms for ALL states including DC and PR. Most state forms can be printed using the Software Generated Forms option. AMS Payroll tracks deposits and liabilities, prints checks and supports tax deferred plans.

Optionally, AMS Payroll calculates taxes and has many other features. Data can be imported from Excel, Quicken, QuickBooks, QuickPay, Peachtree, text files and most competitors. Quarterly Magnetic Filing for several states is built into AMS Payroll. Two E-File options are available: E-File Direct creates a file that can be uploaded to the IRS and the SSA via the Internet.

E-File Services files data via a third-party and can also outsource your year-end printing and mailing of recipient copies. Customer Support is available Monday

through Friday 8 a.m. to 6 p.m. CT. In January hours are extended to 7 p.m. and Saturday 10 a.m. to 4 p.m. CT. Download a FREE DEMO from our website!
