Oct. 01, 2017

Sageworks Valuation Solution is a web-based platform enabling business valuation professionals to streamline workflow, increase realization rates and offer advisory services. Modeled after [SSVS No. 1](#) standards, the software follows the income, market and asset approaches to generate an accurate, defensible value.

#### **Easy to use web-based technology**

- No installation or download required
- Intuitive user experience following the valuation process
- Entirely web-based and accessible from anywhere

#### **Designed to scale a valuation practice**

- Prepare for growth by scaling existing processes
- Increase realization rates
- Sell additional services
