### From the 2017 reviews of Time Management systems.

Time Camp is a time tracking and time management app ideal for professional service companies and consultants. Time Camp can be used as a desktop application, or with iPhone and Android devices. Time Camp offers visual time tracking, with a graphical timesheet that integrates with your calendar, though a regular timesheet is available as well.

There is also an option to use automatic time tracking by clicking on the Start Timer function. There is also an option to forward timesheets to managers for approval.

Along with tracking time, Time Camp offers solid reporting and invoicing
