The EY logo is displayed in a large, bold, grey, sans-serif font. The 'E' and 'Y' are connected at the top, and the 'Y' has a distinctive shape with a wide base and a narrow stem.

Building a better working world

The EY Americas Tax practice today launched EY Interact, the firm's new program that provides real-time access and visibility to tax engagements.

While collaboration portals exist, EY Interact gives clients one site to access all of their work products and engagement data, and to receive personalized alerts and secure document sharing across their EY tax projects. This central access helps improve efficiency, provides critical business insights and tracks project status and work streams for easy client interaction.

“EY Interact is one tool among our broader technology solutions investments that

providing access to all of their EY tax engagement information,” said Jeff Saviano, EY Global Tax Innovation Leader. “EY Interact also offers status tracking so that leaders can be informed of project developments and work seamlessly with EY teams by sharing information across the organization.”

“EY is pleased to have EY Interact deployed and available to our clients in the US as part of plans to deploy globally to all EY clients over the course of the next 12 months,” said Jay Nibbe, EY Global Vice Chair – Tax.

Demonstrations are available for clients to explore the new EY Interact capabilities. EY clients can learn more by contacting their EY service teams. Other tax professionals can learn more by visiting ey.com/eyinteract.
