Feb. 23, 2018

[MaloneBailey](#), LLP, a public accounting firm based in Houston, Texas, announced today that it has been named one of Houston's Best and Brightest Companies to Work For in 2018 for its fifth year in a row.

An independent research firm sends surveys to randomly selected employees at each of the participating companies. The survey asks questions about each company's compensation, benefits, employee enrichment, community initiatives and much more. Employees who receive the survey are asked to answer honestly and

anonymously. The independent research firm then assesses each nominated company's entries and winners are chosen based on their scores in the above mentioned various categories.

The competition allows Houston businesses to showcase their best practices in the areas of human resources and employee enrichment. Of the over 300 company nominations submitted this year, 66 have been named as one of the Best and Brightest.

The Houston's Best and Brightest Companies to Work For® competition recognizes organizations throughout Houston that demonstrate excellent human resource practices and employee enrichment. Winners are measured and chosen based on compensation, benefits and employee solutions, communication, work-life balance, employee education, diversity, recognition, retention and more by an independent research firm.

“It is such an honor to be recognized for this reward for the fifth year in a row,” stated George Qin, CPA, CMA, MBA, Audit Partner and Executive Committee Member. “Having a firm where our people not only enjoy coming to work, but are happy with the benefits we offer is essential to our future growth. We strive to make MaloneBailey a dynamic place to work, and I believe this award reinforces that we are reaching that goal.”

The awards event for all Houston winners will take place on April 27, 2018 at the Houston Marriott West Loop by the Galleria.
