[From the 2018 reviews of W-2 and 1099 preparation systems.](#)

Eagle View Filing Solutions from Tenenz offers a different approach to the task of processing year-end compliance forms such as W-2's and 1099's. Shifting the burden of processing, printing, and filing these forms, Eagle View Filing provides users with the option of entering data directly into their online filing system.

Small business users can opt to enter recipient and payer data directly into Eagle View Filing, while larger businesses and accounting professionals may want to take advantage of the option to upload payer and recipient data into the application, where the entire process of creating, filing, and mailing the forms is completed by Eagle View Filing.
