**Information Technology Alliance**  
Leading the IT Profession

The **Information Technology Alliance** (ITA), an independent membership association of leading mid-market technology professionals, consultants and product/service providers in North America, announced a roster of new members this week during the ITA Spring Collaborative in Nashville, including:

- **Cohen & Company** – a top accounting and consulting firm specializing in audits and tax issues for private companies, the investment industry, real estate and private equity groups.
- **Templeton Solutions** – a technology solutions company that develops, publishes and implements industry-specific software solutions for marketing, sales, customer service and financial management.

- Hendrickson Consulting – providing management consulting services to resellers
