Jun. 12, 2018

The AICPA has launched a new line of learning resources tied to the future of finance and accounting at its premier conference, AICPA ENGAGE.

The learning materials, a combination of free and for-purchase products collectively called Go Beyond+ Disruption, cover a broad range of topics, such as Human Intelligence, Data Analytics, Cybersecurity, Blockchain and Robotic Process Automation.

“Automation and other disruptive trends in the accounting profession will require CPAs and Chartered Global Management Accountants (CGMAs) to learn, unlearn and relearn as they progress through their careers,” said Clar Rosso, executive vice president of engagement and learning innovation for the Association. “To thrive, you’ll need to continuously adapt your skillset and evolve your competencies.
