While not included in Blackbaud Financial Edge NXT, Blackbaud offers a variety of donation and donor tracking options that integrate including Raisers Edge, which provides nonprofit organizations with in-depth tracking and management of all donor and donation activities. The Project, Grant, and Endowment Management module offers nonprofit organizations a way to manage all organizational activity, allowing users to track all project and grant activities on a separate level from other organizational transactions. Blackbaud Financial Edge NXT also includes self-balancing fund capability, so all funds will remain in balance.

The Allocation Management module allows users to automate allocated amounts between specified accounts, with the module handling direct, indirect, and indirect cost allocations.

Blackbaud Financial Edge NXT allows administrators to invite potential users to utilize the application. Once set up, admins can assign system access by individual or by group, with access levels determined for projects, accounts, and reporting options, as well as basic system access.

Blackbaud Financial Edge NXT offers excellent reporting options, with reports available in three categories: General Ledger reports, Payables reports, and Treasury reports. A variety of report templates are included in the application, which users can use as is, or customize to better suit their needs. Along with standard financial reports, Blackbaud Financial Edge NXT also offers nonprofit specific reports

including Statement of Activities, Statement of Cash Flows, and Statement of

and Reporting. Along with the standard modules, Blackbaud Financial Edge NXT also integrates with other Blackbaud applications for increased system functionality.

Blackbaud's support page offers a variety of resources including access to help and support options for all Blackbaud applications including Get Started, Help and Best Practices, Blackbaud University Training, and a Video Library, which features a variety of How-To videos. The support page also offers access to the Blackbaud knowledgebase, the community forum and a chat option. A Getting Started with Blackbaud Financial Edge NXT guide is also available as a PDF that users can refer to or download and print if desired. Users can easily download any software upgrades from the webpage as well as manage their account online. Support can be accessed via telephone, email, by chat, and by Twitter.

Blackbaud Financial Edge NXT is a comprehensive nonprofit financial management application that is well suited for mid-sized nonprofits and government entities. Ideal for those that need robust tools and scalability options, Blackbaud Financial Edge NXT offers a variety of add-on options available through Blackbaud that can increase product functionality. Users can request a demo of the application directly from Blackbaud as well as a custom quote for their organization.

## **2018 Rating – 5 Stars**
