preparation, filing and remittance on behalf of their online merchant clients, across all states that levy a sales tax, and offers an intuitive dashboard, where all client data can be input and managed. Among TrustFile features are:

- \* The ability to easily extract data from leading accounting systems and online marketplaces
- \* Signature-ready sales tax forms
- \* Tracking of client's historical returns and sales transactions for easy reference
- \* A new Inventory Report for Amazon fulfillment-by-Amazon sellers which provides merchants and advisors with a detailed view into where and when their goods flow through the fulfillment network

For more information, go to [www.avalara.com/trustfile](http://www.avalara.com/trustfile).
