If you have any questions or need help you can email us

including on-boarding, signature capture, client communications, information requests, and more. Liscio bridges the gap between client experience (or front-stage) tasks and back-office (or back-stage) transactional work to support connected, efficient and positive client relationships at every step of a firm's workflow. This is the first platform of its kind that enables accounting firms to streamline and digitally manage all front-stage tasks in a single space.

For more information, go to www.liscio.me.
