Cetrom, a provider of custom cloud solutions SMBs, has been named Top Hosting Provider by K2 Enterprises, a premier provider of technology-focused Continuing Professional Education (CPE) in both the United States and Canada, for the fourth year in a row.

Sep. 13, 2018

**Cetrom**, a provider of custom cloud solutions SMBs, has been named Top Hosting Provider by **K2 Enterprises**, a premier provider of technology-focused Continuing Professional Education (CPE) in both the United States and Canada, for the fourth year in a row.

The 17<sup>th</sup> Annual Technology Awards, also known as the K2 Quality Awards, is the most well-respected and longest standing awards in the accounting industry and are determined by a poll of the K2 Enterprises instructor team. Their votes are influenced by end user feedback and experience received directly from accounting professionals during K2 Enterprises' consulting and extensive teaching efforts.

Each year this award is given to one and only one company that fits the criteria. If it

across the country.”

Cetrom has been serving accounting and CPA firms for more than 17 years and has extensive experience hosting a variety of accounting-specific applications. Designed and developed to meet CPA firms' specific hosting needs, each [custom cloud service program](#) is backed by senior-level engineers who provide around-the-clock customer support.

Christopher Stark, president and CEO, Cetrom, said, “We’re honored to be named K2 Enterprises’ Top Hosting Provider for our fourth year in a row. We pride ourselves on providing excellent cloud hosting service and support to the Accounting industry and will continue to develop the solutions that exceed their expectations.”
